

## Community Picnic Proposed

If the plans of the Sidney Board of Trade are carried out, there will be a real live community picnic and excursion to Anacortes some time during the present month. The matter was discussed last Tuesday evening at the Board of Trade meeting, and the Council of the Board has been requested to appoint a committee to arrange details. It is intended that as many of the residents of Sidney and district as possible take the day off and have a real good time, and it is hoped that all will do their best to make the affair a success.

Among other things brought up at the Board meeting last Tuesday was the bad state of Central Road and the East Road. The secretary was instructed to write to the proper authorities requesting that the roads be put in good shape.

It was announced by the secretary of the Board that the Royal Commission of Fisheries would be in Victoria on Aug. 31, and they would be pleased to hear any complaint relative to the matter under their jurisdiction, provided the secretary of the Commission had been previously notified.

An invitation was read from Mr. E. M. Straight, to the members of the Board, regarding the field day it is intended to hold at the Experimental Farm on Aug. 23. The members were pleased to receive the invitation and there is no doubt a large number will attend.

Messrs. Goddard, Taylor, Forneri and Lesage were appointed delegates to the Greater Victoria committee.

Mr. W. H. Dawes gave a very good report of the recent convention of the Associated Boards of Trade, at Cumberland, and made complimentary reference to the way in which the delegates had been entertained while there. It was, Mr. Dawes said, the most successful convention yet held by the organization. The convention will meet at Nanaimo next year. Following are the resolutions adopted at the convention:

Use of salt eggs, Duncan; collection of taxes by government, Sidney; Forest protection, Victoria; seedling of burned area, Courtenay; Oriental immigration, Cumberland; Oriental immigration, Sidney; Oriental ownership of land, Gulf Islands; hoardings, Gulf Islands; 2 per cent arbitrary on lumber, Sidney; lumber assembly at Ogden Point wharf, Victoria; establishment of Experimenta. Farm, Courtenay; health laws in rural districts, Sidney; fuel oil, Cumberland; judges residence in district, Courtenay; Mill Bay ferry, Victoria; improve the Shawnigan Lake cut-off road, Duncan; appointment of publicity bureau of Island representatives; protesting against the importation of Japanese coal for use by Canadian Mercantile Marine vessels endorsing bill of M. B. Jackson, M.P., re signs and billboards.

## Planning Big Day at the Farm

Mr. E. M. Straight, superintendent of the Experimental Farm, is arranging for a big field day at the farm on Wednesday, Aug. 23, to which everyone is cordially invited. Special invitations will be sent to the Board of Trade, Women's Institute and the United Farmers, and it is hoped that many members of the above organizations will be present. It is hoped to have several speakers to address the assemblage during the afternoon, among whom may be Dr. Tolmie and Mrs. M. B. Jackson, M.P. It is also hoped that Eva Hart will be present and favor with several songs.

Among other arrangements made, will be a baseball game between Fulford Harbor and Sidney teams.

A number of the products of the farm will be exhibited, and Mr. E. M. Straight will give several demonstrations which will no doubt prove interesting.

The ladies attending are requested to bring refreshments, as ice cream, fruit drinks, etc., will be supplied by the farm.

There is no doubt a large number of the residents of this district will look forward with pleasure to the day.

## ENTERTAINED FRIENDS.

Miss Ruth McClure entertained a few friends at tea at Beach House yesterday afternoon, those present being Mrs. R. Morris, Mrs. H. Knight, Mr. A. Roberts (Nebraska), Miss Dalgarno and Miss Jean Reid.

## BROKE HIS LEG.

While playing baseball with the Sidney team at Fulford Harbor last Saturday evening, Mr. W. Bridge-wood had the misfortune to break his leg. He was given medical attention at once and taken to Resthaven Sanitarium, where he is now progressing favorably.

## COME IN AND SIGN.

Those who desire to form a Sidney and North Saanich War Memorial Park Society are requested to call at the Review office and sign the document. Quite a number of names are already on the list, but it is hoped that many more will attach their signatures.

## Travelled Nearly 3,000 Miles

"After completing a trip of just under 3,000 miles, which took us through several of the States on the other side of the line, I am more than ever convinced that the people of Vancouver Island, and particularly those of the Saanich Peninsula do not half realize the possibilities of our community in the way of catering to the tourist traffic. Every town, every city and every hamlet in the United States vie with each other to secure the patronage of the thousands of tourists who take to the roads as soon as the season is ripe."

The above observations were given to a Review representative by Mr. J. J. White yesterday afternoon, he having returned from his holiday trip last Saturday. Those who accompanied Mr. White were Mrs. J. J. White, Mr. and Mrs. E. L. McKenzie, Miss Eileen White and Mr. Henry Brethour. The party left here on July 10, and during their absence journeyed through the states of Washington, Wyoming, Utah, Montana and Eastern Oregon. They returned via the Columbian Highway, and although the roads near the cities were good, those in the rural districts were very bad in places.

The party spent five days at Yellowstone Park, and Mr. White was very enthusiastic about the scenery of this famous place. One very noticeable thing about the Park, said Mr. White, was that the bears which abound in the Park are becoming a real nuisance. If by any chance a tourist leaves any eatables in his car, the bears are sure to find it out, and if they cannot secure the stuff any other way they tear things to pieces, the seats of the cars usually suffering the most damage. These animals are protected by law, but Mr. White is of the opinion that at no distant date something will have to be done by the authorities.

In conversation with a tourist who had recently made a tour of Vancouver Island Mr. White was told by this gentleman that the worst road on Vancouver Island is the portion from Sidney to the pavement on the East Road. The tourist said he thought he voiced the opinion of the majority of the motorists in expressing this opinion.

Mr. White is of the opinion that Vancouver Island scenery has yet to be equalled by anything seen on this trip, and for that reason gave expression to the remarks which commenced this article.

The party experienced no motor trouble all the time they were on the road, and although the trip was a long one the entire party enjoyed every minute of it. They took tents, etc., along with them, and if they did not happen to be near a town or city when night overtook them they camped. "Everybody is camping nowadays," said Mr. White, "and Sidney has a splendid opportunity to cater to the enormous tourist traffic which will come this way year after year."

Rev. H. Hobbins, wife and family, of Mission, are the guests of Rev. and Mrs. T. Griffiths. Mr. Hobbins will sing at the services at the Union Church here next Sunday.

## Tag Day Was Very Successful

The result of the tag day held yesterday for the assistance of a former resident of Sidney was most gratifying, and the members of the North Saanich W. I. wish to express their sincere appreciation of the loyal support of the citizens generally. The total amount collected yesterday was \$64.06, which together with the donation by the North Saanich W. I. of \$25.00, will bring the amount up to about \$100, as more money is yet to be turned in. The totals for the districts so far, are as follows: Mill, \$17.20; stores, \$17.08; residential, \$29.78. The donation of the W. I. brings the total so far up to \$89.06.

## News From West Saanich

(Review Correspondent)

WEST SAANICH, Aug. 8.—Mr. and Mrs. Wallace and family, of Victoria, are spending a vacation at the Sluggetts Beach, where they have rented a cottage for several weeks.

Mrs. McRay and family, of Victoria, are among the recent arrivals at the Sluggett summer camp.

Mr. and Mrs. Kirk, of Victoria, have arrived at the Brentwood Beach where they will spend the next few weeks.

Miss Jennings and party, of Victoria, spent Sunday with friends at Moodyville.

Mr. and Mrs. Arthur Petch and daughter were visitors at the home of Mr. and Mrs. Freeland last Sunday.

## News From Patricia Bay

(Review Correspondent)

PATRICIA BAY, Aug. 8.—Mr. L. Johnston, of Victoria, visited his aunt, Mrs. A. Muir, several days last week, returning home on Saturday.

Miss Iris Turple, of Victoria, is spending part of her holidays visiting Mr. and Mrs. Jas. John, of the School Cross Roads.

Mr. Lee, of the Canora, of Quebec, has been visiting for the past week with Capt. and Mrs. Brown.

Miss Lizette Watts, of Sidney, is visiting her cousin, Miss Lillian Nunn, of Central Road.

Prof. Wilfred Saddle, of the Agricultural University of B. C., in Vancouver, and Mrs. Saddle, are spending a few days with Mrs. W. McLean, at "Bay View."

Several of our residents have been busily engaged improving their residences by giving them a coat of paint. The residences include those of Major and Mrs. Wilson, Mr. C. Tapping and Mr. C. Donaldson.

The regatta held at Deep Bay last Saturday by the Ladies' Guild of the Holy Trinity Church, proved quite a jolly time for all, there being a very large attendance. The sports were in capable hands, Rev. T. M. Hughes announcing the various events, and Messrs. James Copthorne, C. Layard and G. F. Pownall assisting. The various stalls were well patronized, while many partook of the dainty afternoon tea.

Mr. and Mrs. Reg. Morris, Mr. and Mrs. Voss, Mr. Holden, Mr. and Mrs. T. Miller (Victoria), Miss Jean Dalgarno, Miss Nancy Reid, Miss Ruth McClure, Miss Phyllis McKillop, Mr. M. McClure and Mr. E. Norton, spent Sunday at Fulford Harbor, guests of Mr. and Mrs. Eaton.

## Death of Mr. Harry Nunn

The death occurred at Calgary, Alta., on Saturday, Aug. 5, of Mr. Harry Nunn, youngest son of Mr. and Mrs. H. Nunn, of Vancouver. The deceased was 31 years of age, and went overseas with the 72nd Batt., and was badly gassed, leaving him in bad health. He was taken to Calgary some time ago and was operated on there for appendicitis, but owing to his failing health and weak heart, he succumbed.

The late Mr. Nunn leaves to mourn his loss, a wife, mother and father and four brothers and two sisters. Mr. J. A. Nunn, of Bajan Bay, is a brother, and Mrs. H. J. Readings is a sister. The funeral took place at Vancouver last Tuesday, Mrs. Reading and Mr. J. A. Nunn attending. The Review joins in extending to the bereaved ones heartfelt sympathy in their hour of sadness.

## Kiwanians Held Basket Picnic

A party of about 150 members of the Kiwanis Club of Victoria, and their families and friends, held their annual picnic at Beach House yesterday afternoon. Although rain interfered with the sports programme considerably, there was a very exciting baseball match, which ended in a tie.

Mrs. J. F. Simister placed the entire establishment at the disposal of the visitors, and tables were laid in the large dining room. Dancing on the spacious veranda was one of the pleasant pastimes of the afternoon, and was thoroughly enjoyed by all.

Although the rain somewhat marred the pleasure of the day, all had a very pleasant time.

## News Gathered at Saturna Island

(Review Correspondent)

SATURNA ISLAND, Aug. 5.—Miss Irene Harris is visiting on Moresby for a week.

Mr. and Mrs. H. Drummond have returned to Vancouver. They took with them the launch "Siesta," which Mr. Drummond purchased from Mr. Harris.

Mrs. Looemore has returned from the hospital at Ganges.

The Misses Irene and Dorothy Harris are to be congratulated on passing their respective examinations, first year High School and Entrance.

Mr. A. Macfadyen left the Island on Wednesday last.

Mr. G. F. Payne returned in his yacht "Saturna" from Seattle, but left again almost immediately for Maple Bay to take Miss Whitmore home, also to attend the regatta there on Thursday last. They had a most enjoyable time in Seattle and attended several dances while there. The races were not exciting, as there was comparatively no wind, and only on two days out of the four were races completed, the yachts being becalmed.

Miss A. Payne is visiting at Point Comfort, Mayne Island, for a week. Miss L. Marryat has returned from a brief visit to Vancouver. She now intends going to Seattle.

Mr. and Mrs. Beechy were in Port Bay on Thursday last in their launch "Petrol" from the Victoria Yacht Club.

On Tuesday last a yacht from Vancouver, on its way home from the Seattle regatta, stopped in Boat Bay. There was a party of three on board.

Mrs. H. Knight has returned home after a two week's holiday, going via Anacortes to Seattle and home by way of the Sound cities.

## Will Library Be Closed?

At the meeting of the Library Board last Thursday evening in the Wesley Hall, it was the general opinion that the present fee for the books is quite high enough, and if the authorities raised the fee, it was thought best to close the library. If the same fee is charged, ways and means of soliciting new members for the library were suggested, and it was decided that the members of the Libraries Board should be a committee for this purpose.

Up to the time of going to press no word had been received regarding the library fee.

Mr. J. S. Jost, of Vancouver, came over from the Mainland via the Sidney-Anacortes ferry and spent the week-end at Deep Cove with Mrs. Jost.

## PRIZE GARDENS.

The judging of the gardens of members of North Saanich Women's Institute was completed last Tuesday by Mr. E. M. Straight, of the Experimental Station, and the following were awarded prizes:

Mrs. J. Lophthien, first prize garden; Mrs. C. Wemyss, second prize garden; Mrs. B. Deacon, first prize sweet peas; Mrs. C. Wemyss, second prize sweet peas. Recommended for honorable mention, garden of Mrs. W. Veith and sweet peas of Mrs. J. Speedie.

## BALL GAME TOMORROW.

The Sidney baseball team will play an exhibition game at the Athletic Park tomorrow evening, commencing at 7 o'clock, with the Garrison team from Victoria. An admission will be charged. The Sidney team will be: F. Lyons, 1b; E. Norton, 2b; W. Crossley, ss; W. Bowers, 3b; A. Gilman, rf; W. May, cf; L. Wilson, lf; M. McClure, p; G. Few, c.

## Many Attended the Field Day

Quite a number of members of the South Saanich Farmers' Institute and the South Saanich Women's Institute took part in the field day which took place at the Experimental Station last Saturday afternoon. The judging of live stock was the main feature of the day, Messrs. Geo. Clark, of Patricia Bay and Mr. McDean, of Keating, being the official judges of the cattle. All present were invited to enter the judging competition. Four head of Jersey cows were led out for inspection, and at the conclusion of the judging Mrs. Henderson Lawrie and Mr. S. A. Anderson were found equal in winning first prize, as there were only 7½ points difference between their score and the correct one.

Poultry judging by Mr. Jeffrey followed, six White Wyandotte hens being placed in position, and those present given an opportunity to judge both the poorest and the best, according to the egg records of the birds. Mr. Henderson Lawrie was first, selecting a bird and guessing her record as 305 eggs, her record being 307. Mr. Amey came next, guessing her record as 304 eggs, this bird having 300 to her credit.

Mr. E. M. Straight gave a most interesting demonstration of how to handle bees, and feed them, allowing them to run all over him without being stung.

A very enjoyable portion of the day was next on the programme when long tables were set up under the trees and a bountiful repast was partaken of by all, the ladies of the party supplying the many good things to eat. Mr. Straight gave the party a delightful surprise when he presented delicious watermelons to the winners in the judging. These melons were grown at the Experimental Farm and gave practical evidence that North Saanich is capable of producing this fruit.

The evening was spent in looking over the grounds of the farm, the foliage trees such as the planea and catalpas being much admired by the visitors.

A hearty vote of thanks was tendered Mr. E. M. Straight, superintendent of the Experimental Station, for a very interesting and enjoyable day.

For those who had no cars, Mr. T. Michell provided transportation, which was much appreciated. During the afternoon Mr. Frank Dominion Live Stock Commissioner, was present and gave a talk on live-stock.

## BROKE HIS WRIST.

While cranking his car last Monday morning in front of the post office, Mr. James McNaught had the misfortune to break his wrist. He was at once given medical attention, and the latest report is that Mr. McNaught is progressing favorably. His host of friends will regret to learn of his accident, and will wish him a speedy recovery.

## AT BEACH HOUSE.

Visitors to Beach House last Sunday were Mr. and Mrs. Smith and family, Mr. and Mrs. Howroyd and family, Mr. and Mrs. Norman Simister, of Victoria.

## James Island News Items

(Review Correspondent)

JAMES ISLAND, Aug. 8.—Great interest has been taken here in the British Columbia championship tennis tournament in Victoria. Two entered from James Island, Miss Dolly Thomas and Mr. B. C. L. Bear, and a great number went to see them play. On Saturday nearly everyone went across to see the finals and had a very jolly time.

Mr. Rowa went for a trip to Nanaimo in his launch last week. Messrs. D. Lake, J. Lake, B. Whalen and E. Rivers spent last week-end in town.

Mrs. Mercer and children have gone to live in their house in Victoria. Mr. Mercer is "baching" with Mr. A. Inglis.

Mr. and Mrs. MacWilson have left the Island. Mr. MacWilson is going to the prairies this month.

Little Kathleen Spencer cut her hand very badly during the past week on a swing and had to have it stitched.

Mr. and Mrs. Shearer were away for the week-end.

Mr. W. Dakin left the Island last Saturday to return to California.

Mr. and Mrs. Dixon and children left last Friday to spend two weeks at Nanaimo.

Mr. and Mrs. Norman Wilson and little Bridget, from Salt Spring, visited James Island last Saturday on their launch "The Florence." On Sunday morning they went off with the Allens, Rogers', Beans, Bigwoods and Bikers to picnic on Mary Island.

Mrs. Hildreth, of Oak Bay, is the guest of Mrs. H. Bigwood.

The Strand boarding has for men is going to be closed. Four of the men have taken the house recently vacated by Mr. MacWilson, eight are living in Mrs. Robb's old house, some in the house where Mr. Brown used to live. Mr. Joe Wright will "bach" in the house which Mr. Shearer first occupied, and Mr. Tom Rogers has announced his intention of living in the "bar-r-n," but we don't think he will. Mr. Rowbottom has taken Mr. Deakin's old house and will cater for and provide meals for the men.

Mr. and Mrs. Van Norman and children returned from Duncan last Thursday and have since been staying at Brentwood. They came back on Sunday.

Mrs. Lewis, of Victoria, has been visiting Mrs. Wilmott, who, with her baby, has now gone to stay with Mrs. Lewis.

Mrs. Brown, who has been the guest of Mrs. Norman Moore, has gone back to Victoria, taking her son Gordon with her.

Mr. and Mrs. H. Burrows and family, spent the week-end at Victoria.

Mrs. Rowbottom, Sr., is visiting Mrs. H. Rowbottom for two weeks.

Mrs. Taylor went in to town on Saturday to undergo an operation for appendicitis.

## Veterans Enjoy Basket Picnic

Three launch loads of members of the G. A. U. V. and their families and friends journeyed to Hill Island last Sunday to enjoy a day's outing, and they were joined during the afternoon by a number from James Island. The day proved a most enjoyable one for all, and during the afternoon sports for the children were staged. A baseball game between teams captained by Messrs. H. L. Ricketh and L. Burnell, played a very exciting game of baseball, the former's team winning by a 7-5 tally.

Speeches, songs, etc., formed a part of the day's proceedings, and Mr. Guy Walker, in his usual graceful style, on behalf of the James Island visitors, extended a very hearty vote of thanks for the pleasure they all had been given. This was ably responded to by Mr. A. Graham, of Sidney, who assured the James Islanders that the pleasure was mutual, and it was hoped that at some future date they would meet again for an enjoyable outing.

A very hearty vote of thanks was extended to Mr. and Mrs. M'Hard, of Hill Island, for allowing the Veterans and their friends the use of the Island for such a pleasant and happy outing.

The entire party arrived home in the dusk of the evening, having had a very happy day.

The Scouts are off for a two weeks'  
holiday at Cusheon Cove, Salt Spring  
Island, making the journey in Capt  
Byers' launch last Monday. Rev. T.  
M. Hughes accompanied the Scouts  
and will remain with them for sev-  
eral days. Mr. L. Thompson and  
Victor Pohl left yesterday for the  
camp, Rev. T. M. Hughes returning  
by the same launch.

V. GODDARD,  
Scout Master.

## Held Picnic at Beach House

That strange and awful noise you  
heard last Saturday about 2 p.m.,  
dear reader, was not an echo of the  
disturbance in Ireland, it was the  
Diggon staff from Victoria. They  
had decided that Beach House, Sid-  
ney, was the ideal place for their an-  
nual outing, and as they came along  
Beacon avenue and down Third  
street, in a tally-ho, there was much  
music, harmonious and otherwise.  
Of course all the lady members of  
the staff were decked out in regular  
holiday attire—and so were the men,  
but they didn't look quite so ador-  
able.

After reaching Beach House, the  
committee responsible for selecting  
this site for the outing became quite  
embarrassed by the many nice things  
said to them by the entire party.  
In fact, our friend Diggon became  
quite shy. This is perhaps the only  
known occasion when he has been  
afflicted that way. But he couldn't  
help it, poor man, with all those nice  
young ladies saying all kinds of nice  
things to him. Of course, he was  
not the only member of the commit-  
tee to receive words of praise, but  
the others were not a bit shy.

During the afternoon there were  
several kinds of sport indulged in,  
tennis, quoits and boating, and a  
real jolly afternoon was spent.

At the conclusion of the afternoon  
sports, the party was served with de-  
licious refreshments in the large din-  
ing room at Beach House, Mrs. J. F.  
Simister having charge of this im-  
portant part of the day's enjoyment.  
Community singing formed a part of  
the evening's enjoyment after sup-  
per, a Christian being the leader.  
Some members of the firm's own or-  
chestra being present, dancing was  
indulged in till about 11 p.m., at  
which hour "Auld Lang Syne" was  
sung, and the serving of light re-  
freshments brought the happy day to  
a close. Three rousing cheers were  
given for Beach House and Sidney  
before the party proceeded home-  
ward, and the same strange and won-  
derful noises were heard as they  
proceeded on their way. Everyone  
arrived home safely, however.

Nearly the whole staff fainted  
when Jack Trace endeavored to give  
an exposition of golf. But he never  
hit the ball. After six unsuccessful  
efforts he gave it up in disguise.

The big athletic feature of the day  
was the baseball match between the  
mechanical staff and the plutocrats  
in the front office. Much rivalry had  
been engendered between these con-  
tending forces and each had decided  
to win the championship cup which  
had been presented for the occasion.  
The mechanical staff were victors in  
this mighty contest, but it was only  
through a grave error on the part  
of the star of the front office staff that  
they were victorious, the final score  
being 7-6.

Following is a list of the sports  
and the names of the winners:

Baseball—Front Office vs. Print  
Shop, 1st prize, lady obtaining most  
runs, Miss Griffiths; 1st prize, gent  
obtaining most runs, Mr. Christian.  
Ice cream eating contest, lady and  
gent blindfolded—Miss Nicholson,  
Mr. Boyer.

Thread and needle race, lady and  
gent's prizes—Miss Nicholson, Mr.  
Ozard.

Golf driving contest, 1st prize,  
Don Gardler.

Hobble race, ladies and gents—1st  
prize, A. Johnson.

Whistle contest, two 1st prizes—  
Mrs. A. Johnson and Miss Nell.

Golf putting contest—1st prize, H.  
M. Diggon.

Ladies' race—1st, Miss Ella Dal-  
ziel; 2nd, Mrs. J. Trace.

Wheelbarrow race, ladies and  
gents—Two 1st prizes, Miss Robin-  
son and Mr. Shorwood.

Bun-eating contest, ladies and  
gents—1st prize, Master Nell.

Children's 50-yard dash—1st,  
Master Roy Nell; 2nd, G. Gearson;

3rd, G. Gearson.

## Pender Island News Items

(Review Correspondent.)

PENDER ISLAND, Aug. 8.—An  
item of extreme interest to a great  
many Island people was the celebra-  
tion of the fiftieth anniversary, or  
golden wedding of Mr. and Mrs. A.  
A. Davidson, on Aug. 2. This hale  
and hearty couple were married in  
Greenock, Scotland, fifty years ago,  
and after living for some years in  
Callao, Peru, where their four chil-  
dren were born, and where Mr. Da-  
vidson was employed by the Pacific  
Navigation Co., they moved to Vic-  
toria, and from there to Pender  
Island. This was thirty years ago,  
and although much of their time  
has been spent in Victoria during the  
intervening years, their home on  
Pender has always remained ready  
for them whenever they felt in need  
of a rest. Since retiring from active  
life, three years ago, they have lived  
continuously on the island. While in  
Victoria Mr. Davidson was connect-  
ed with the Albion Iron Works and  
Victoria Machinery Depot for many  
years.

On the occasion of the celebration  
on Aug. 2, their lovely home "Chu-  
cuito," was a scene never to be for-  
gotten by any who were present.  
Many old friends and neighbors, both  
from Victoria and the Islands, gath-  
ered to extend their good wishes to  
the happy pair. All the members of  
the family were present, as well as  
the grandchildren, they being the  
two sons, Thomas and Andrew A.,  
and the two daughters, Mrs. H. Cor-  
field and Mrs. John Stewart. The  
house was beautifully decorated  
with festoons and trimmings in  
white and gold, the large tea table  
being carried out in the same color  
scheme and centred with a lovely  
wedding cake.

The Victoria guests arrived by  
launch from Sidney in the morning  
and returned early in the afternoon.  
As they left the bay they sang a  
verse each of "The Sweet Bye and  
Bye" and "God Be With You Till  
We Meet Again," the music sound-  
ing very sweet and clear across the  
water.

Many useful and practical gifts  
were received by the happy couple,  
that from the immediate family be-  
ing a purse of gold.

The guests from Victoria included  
Mr. and Mrs. W. C. Petticrew and  
Miss M. Petticrew, Mr. and Mrs. G.  
D. Ramsay and Miss B. Ramsay, Mr.  
and Mrs. G. W. McMorran, Mr. and  
Mrs. D. W. Hanbury, Mr. and Mrs.  
H. E. Munday, Mrs. S. McNeal, Mrs.  
C. H. Tite, Mrs. A. Donaldson, Mrs.  
Jas. Freely, Mr. and Mrs. R. Hamil-  
ton and Miss Hamilton, Miss B. Hamil-  
ton, Mrs. Daniels and Mr. and Mrs.  
R. Stewart.

The Island guests were Mrs. John  
Allan and Mr. Thos. Allan, Mr. and  
Mrs. W. Grimmer, N. N. Grimmer,  
Mr. and Mrs. Cyril Hamilton, Mrs.  
A. H. Menzies, Mrs. J. MacDonald

## The Kidneys

The office man and the outdoor  
worker suffer alike from derange-  
ments of the kidneys.

Backaches and headaches are  
among the symptoms. In some  
cases Bright's disease soon de-  
velops, others suffer from high  
blood pressure until hardening of  
the arteries sets in.

In order to forestall painful and  
fatal diseases prompt action should  
be taken at the first sign of trouble.

Mr. A. D. MacKinnon, Kirk-  
wood, Inverness county, N.S.,  
writes:

"I can highly recommend Dr. Chase's  
Kidney-Liver Pills to all suffering from  
weak kidneys. I suffered from kidney  
disease for a long time. I may also say  
that for three years I was nearly always  
troubled with headaches, and no treat-  
ment seemed to do more than afford  
temporary relief. I was finally told of  
Dr. Chase's Kidney-Liver Pills, and  
after using a few boxes was completely  
relieved. I have also used Dr. Chase's  
Ointment with the best results, and  
never fail to recommend these wonderful  
remedies."

Dr. Chase's Kidney-Liver Pills,  
one pill a dose, 25c a box, all  
dealers, or Edmanon, Bates &  
Co., Limited, Toronto.

and Mr. R. Colston and B. Phelps.

A wedding of interest to many  
friends of the bride was that of Miss  
Edith Mary Percival, second daugh-  
ter of Mrs. John Willey, of Port  
Washington, to Mr. John Keith Mc-  
Kenzie, of Victoria and Merville.  
The ceremony was performed in St.  
Paul's church, Vancouver, on Wed-  
nesday, July 26, by the Rev. Mr.  
Kennedy. Mr. and Mrs. McKenzie  
are making their home at Courtney,  
and their many friends wish them  
every happiness and prosperity.

A most entertaining programme  
was given in the Hope Bay Hall on  
the evening of Tuesday, Aug. 1, by  
Prof. Arnaud, of Vancouver, under  
the auspices of the Recreation So-  
ciety. Much disappointment was felt  
over the very poor attendance, there  
being only some thirty or forty peo-  
ple, including children. The pro-  
ceeds were barely enough to cover  
expenses, but those who did not at-  
tend missed a good thing. Songs  
were given by Mrs. H. Bowerman  
and Mr. A. Hamilton.

Mr. and Mrs. A. Cameron and lit-  
tle son, Adam, of Vancouver, spent  
a few days on the Island week be-  
fore last. Mr. Cameron is assistant  
manager of the main branch of the  
Royal Bank there, and came down  
in connection with business concern-  
ing the sale of the machinery of the  
plant of the old Coast Shale Brick  
Co. While here they were the guests  
of Mr. and Mrs. Menzies, and they  
enjoyed their visit immensely.

Mr. and Mrs. Stanley Stigings and  
family went in to Victoria on Friday  
of last week, taking their car with  
them, and intend making a motor  
tour of Vancouver Island.

Mrs. W. B. Johnston was a passen-  
ger to Victoria last Wednesday,  
where she will receive medical treat-  
ment and a rest.

Mr. and Mrs. John Stewart and  
family returned to Victoria on Fri-  
day after attending the golden wed-  
ding celebrations.

Mr. A. H. Menzies returned from  
Victoria and Cumberland yesterday,  
after attending the annual meeting  
of the Associated Boards of Trade  
at the latter place. Mr. V. W. Men-  
zies also returned from Victoria.

Mr. Alexander, chief engineer of  
the Princess Mary, has come to  
spend his holidays with his family  
at Port Washington.

Will Build Manse.

At a recent meeting of the Pres-  
byterian congregation it was decided  
to build a manse, and plans are be-  
ing made for the construction of the  
same. A piece of land, comprising  
about three-quarters of an acre, has  
been secured just below the church,  
and the congregation is now being  
canvassed by a committee for funds  
and promises of labor or supplies.

## Fulford Harbor Newsy Items

(Review Correspondent.)

FULFORD HARBOR, Aug. 7.—  
The third game of the Islands Base-  
ball League schedule was played here  
last Saturday afternoon between the  
Sidney and South Salt Spring teams  
and resulted in a win for the local  
boys by 18 to 9. This leaves the  
league standing at South Salt Spring  
2, Sidney 1. The best three out of  
five decides the possession of the M.  
B. Jackson trophy for the year. The  
first innings gave promise of a very  
tight game when Fulford retired the  
first three men up to bat and Sidney  
retaliated by stopping the only man  
to get a safe hit at second. In the  
second innings, however, Sidney  
forged ahead with four runs, Fulford  
scoring only two. But in the next  
frame the local boys were not only  
able to hold their opponents score-  
less, but succeeded in putting five  
runners across the plate. From then  
on the game was Fulford's. The  
batting order of the teams was:

Sidney—Bowers, 3b; L. Wilson,  
1f; W. Crossley, ss; F. Lyons, 1b; M.  
McClure, cf; Bridgwood, c; May,  
p; E. Norton, 2b; Irvin, rf.

South Salt Spring—A. Maxwell,  
1b; E. Lumley, 1f; W. Douglas, c;  
Downlo, 2b; Brenton, p; A. Hep-  
burn, rf; M. Gyves, cf; G. Hamilton,  
ss; E. Reynolds, 3b.

Lyons and Crossley also pitched  
for Sidney, and Downlo took the  
mound for Fulford in the third. Ish-  
erwood replaced Reynolds at third  
base. J. N. Rogers, of Ganges, un-  
mired the game.

May and Bridgwood played a very  
good game for Sidney, while Cross-  
ley did well at shortstop. Among  
the local boys, W. Douglas was ex-  
cellent behind the bat, while T. Ish-  
erwood, a new player on the team,  
did some snappy work on the third  
sack. Brenton was the star batsman  
scoring a single, two doubles and a  
triple out of six times to bat.

The next game between the two  
teams is looked forward to with in-  
terest. Anything may happen on

## The Review

A lot of people are  
beginning to realize,  
is a newspaper that  
would do credit to a  
district having a far  
bigger population of  
enthusiastic people  
than the one which  
it covers. Of the  
very large number  
of weekly newspa-  
pers now published  
in the West it is  
doubtful that many,  
if any, publish the  
same amount of in-  
teresting and up-to-  
date reading matter  
as is found in these  
columns.

While it is almost  
impossible to obtain  
all the news of this  
large district, we  
are certain that we,  
through our large  
circle of excellent  
correspondents, ob-  
tain a very large  
proportion of it.  
Our subscription  
price is only

**\$2.00**

per year and new  
subscribers are con-  
stantly being put  
on the list. In fact  
nearly all our entire  
issue is taken up  
with our list and  
consequently many  
people, who wish to  
buy a paper, are dis-  
appointed when we  
tell them that we  
are "sold out".

Therefore if your  
name is not on our  
list make up your  
mind to subscribe to  
the paper that you  
are most interested  
and that publishes  
the most news of  
the district in which  
you live.

By the way don't  
you think that some  
relative or friend of  
yours would like to  
receive The Review  
for

**A Year**

# SIDNEY AND ISLANDS REVIEW

And Saanich Gazette

F. F. FORNERI, Publisher.

Issued every Thursday at Sidney, B. C.  
Price, \$2.00 per annum, in advance.

Member Canadian Weekly Newspaper Association.  
Member B. C. and Yukon Press Association.

Announcement of entertainments, etc., conducted by churches, societies, etc., where admission is charged 10 cents per line. Card of Thanks, \$1.00.

## CONVENTION A SUCCESS

About Seventy-five Present at Annual Meeting of Associated Boards of Trade of Vancouver Island Held at Cumberland Last Week. Splendid Address by the President, Mr. Geo. I. Warren. All Officers Were Re-elected.

The annual convention of the Associated Boards of Trade of Vancouver Island, which met at Cumberland last week, was one of the most successful yet held by this organization, much good work being accomplished.

Mr. Geo. I. Warren, of Victoria, was re-elected president, Mr. Geo. Clinton, of Cumberland, was re-elected vice-president, and Mr. W. H. Dawes, of Sidney was re-elected secretary.

Resolutions were endorsed favoring more effective conservation of timber by the Provincial government through the passage of legislation increasing penalties for starting fires and forbidding smoking on logging operations; commending the Sidney-Anacortes ferry and similar projects to increase tourist trade to the island, and asking for preservation of the timber along the Island highway near Cameron Lake.

The following address was given by Mr. Geo. I. Warren, president, and it covers many matters of interest to every section of Vancouver Island and the Gulf Islands, it is printed in full:

Gentlemen:—

As President of the Associated Boards of Trade of Vancouver Island, I desire to express to the members of this organization with whom I have been associated, my deepest appreciation for the co-operation and support which has been accorded me during my term of office.

Since our last convention I am pleased to advise that several recommendations adopted at that time have been acted upon and results accomplished.

The Dominion government has acceded to our request by improving the Sidney mail service, and the Sidney Board of Trade has to be congratulated on its perseverance in that matter.

The two minutes' silence on Armistice Day was generally observed last year.

After considerable effort the much-delayed report of Mr. Justice Eberts on the Fishery investigation was published.

Through the efforts of the Associated Boards of Trade of British Columbia and the Provincial government, a Freight Rate Bureau has been formed and a Freight Rate expert will soon be placed in charge. This, no doubt, will be keenly appreciated by every shipper in our province, and the idea was first suggested through a resolution of this association at the last convention.

The Dominion government has improved the mail service between Alberni and the West Coast.

A resolution was adopted requesting more adequate facilities for ferrying between Vancouver and Nanaimo, and between Victoria and Port Angeles. This matter was given due consideration by our executive, and thru the efforts of the Victoria and Island Publicity Bureau a new connection between Vancouver Island and the Mainland was established. An automobile ferry is now being operated between Anacortes and Sidney.

The directors of the Victoria and Island Publicity Bureau have now proven that the lack of adequate transportation facilities for automobile owners has been a serious handicap to the organizations which have been endeavoring to attract tourists.

Two boats are now being operated each day on this new run. During the month of July one of these boats alone carried 730 automobiles, 7 motor cycles and 3,252 passengers, proving the popularity of the run. Since the operation this one connection has brought over 1,000 automobiles to the island, and almost every section of the island is securing beneficial results. The Canadian Pacific Coast Steamship Company has increased its Nanaimo service by operating the Charnier between Vancouver and Nanaimo on Saturdays and Mondays. This boat carries a large number of cars and is so constructed that limousines and closed cars can be accommodated.

There are several other important matters in regard to which no action has yet been taken as follows:

1. Extension of the Island Highway into the Sayward district, and the construction of a road of the Canadian

Highway to Long Beach on the West Coast. I understand that a part of this work on the Long Beach connection is now being carried out. The settlers of the Sayward district have been quite active in this matter, and the Victoria organization has co-operated with them by appearing before the Provincial government.

2. The importance of construction of a road to Campbell River falls.

3. The establishment of facilities for assembling cargo on the outer wharves at Victoria. Quite recently the Canadian National Railway has opened one of these docks and it appears to be their intention to develop business and make use of these wharves immediately.

4. The installation of a ferry service between Mill Bay, Salt Spring Island and Saanich Peninsula. This work is now well under way and it is quite likely that an important announcement will be made before the end of the year that services will be commenced.

5. Amendment to the immigration laws further restricting the admission of Orientals into British Columbia.

6. Assurance of permanent preservation of the Cameron Lake timber area, a scenic attraction.

At this time I would like to briefly mention some of the developments and a few statistics of Vancouver Island during the past year:

I am unable to quote the approximate value of the fishing production on Vancouver Island alone, although the Dominion Government statistics show that in 1921 the output of our fisheries in the whole province was over 8,000,000 less than in 1920.

Salmon and halibut contributed 87 per cent. The amount of capital invested in vessels, boats and traps and piers for catching and landing fish in the whole province was \$7,500,000, while the number of employees was 10,623. In the fish canning and curing business the capital invested in the province was \$12,450,000, while the number of employees was 4,471.

These are the provincial statistics and it is not possible to state what proportion belongs to Vancouver Island.

The Dominion government is operating three fish hatcheries on Vancouver Island which had an output during the current season of over 14,000,000. Of this number 4,490,000 was distributed in eggs, 8,953,000 as fry in the free swimming stage, and the balance of 6,447,000 are being fed in retaining ponds and will be liberated after they have attained a length of from 3 to 3½ inches.

The fact that fishing, being one of our chief industries, is on the decrease, would possibly indicate that more efforts be made to protect the industry. Possibly by having a closed season or adopting other legislation before the fish are exterminated.

## Roads.

During the year the Provincial government has expended \$64,885 on roads in the Alberni district, which takes care of 586 miles and 305 miles of trails. They have also expended \$93,595 on 425 miles of roads and 78 miles of trails in the Comox district; \$42,380 on 204 miles of roads and 3½ miles of trails in the Cowichan district; \$115,727 on 176 miles of roads and 60 miles of trails in the Esquimalt district; \$73,377 on 289 miles of roads and 19 miles of trails in the Islands; \$114,625 on the 57 miles of roads in the Nanaimo district; \$24,547 on the 235 miles of roads in the Newcastle district, and \$8,144 on the 7 miles of road in the Saanich district. Totalling this up, you will see that on Vancouver Island during the past year the Provincial government expended on roads, trails, bridges and wharves the sum of \$537,283, taking care of 1,980 miles of roads and 467 miles of trails.

In referring to roads I would call attention to the fact that government engineers report extraordinary traffic and state that heavy logging trucks have caused a large outlay in repairs in maintenance of the main roads and side roads. Legislation limiting said traffic during wet months would be welcomed.

On March 7 of last year Canadian engineers at London, Ont., issued a warning that no vehicle, capable of carrying over one ton, shall, during the months of March and April, carry a load greater than half of its normal capacity. The law is a new one and the penalty for infraction is a fine of \$100.

In Norway, owing to the enormous expense in rebuilding roads which were built for lighter traffic, the authorities have found it necessary to regulate traffic to suit the roads, instead of rebuilding the roads to carry the traffic.

It would appear further that some sort of legislation of this kind to protect our Island roads could be enacted by the Provincial government.

The operation of the proposed new Mill Bay ferry would save the famous Malahat drive, and restrictions could then be made limiting the traffic over the road.

## Minerals.

The Vancouver Island mineral products for 1921 was \$9,139,000, made up as follows:

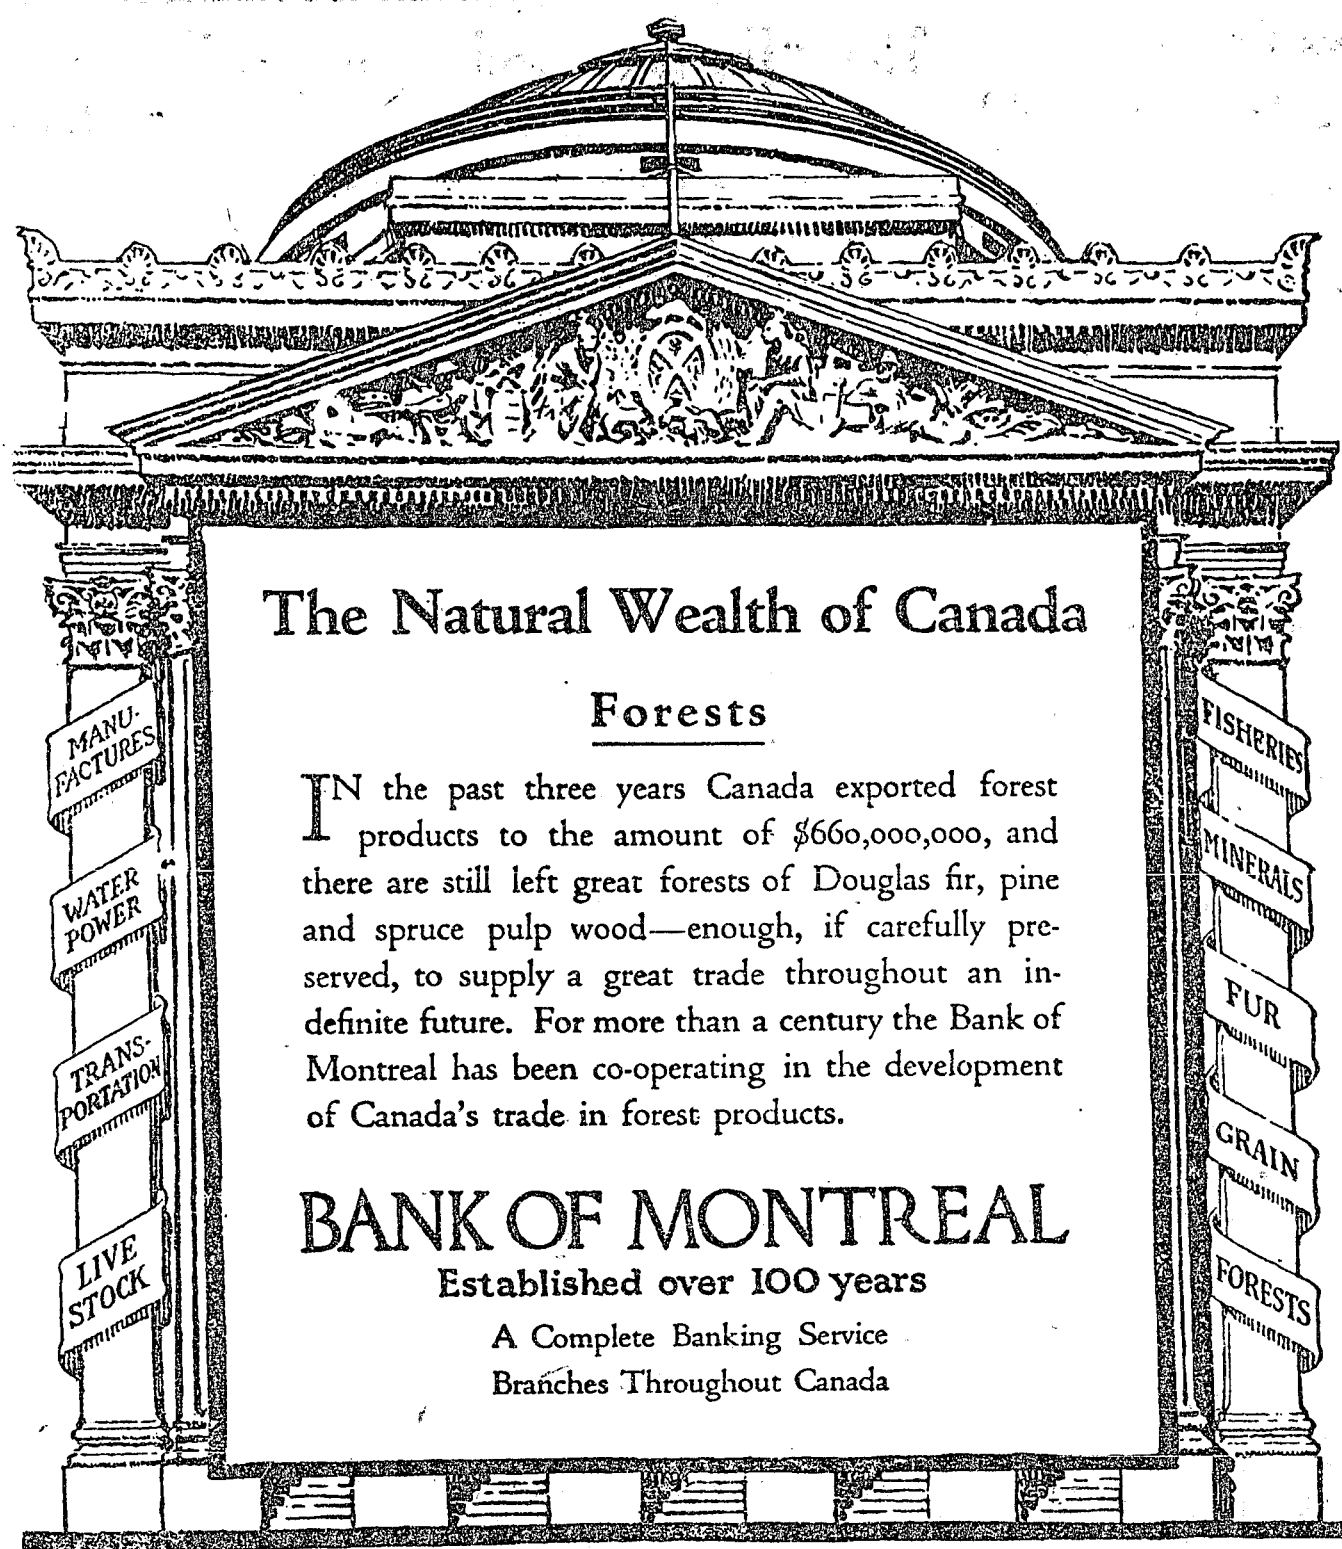

|                              |         |
|------------------------------|---------|
| Gold .....                   | \$2,650 |
| Silver .....                 | 300     |
| Miscellaneous minerals ..... | 5,725   |

Building materials amounting to \$1,000,005, as follows:

|                            |           |
|----------------------------|-----------|
| Pottery and clay .....     | \$ 753    |
| Brick .....                | 70,690    |
| Sand and gravel .....      | 35,424    |
| Lime and limestone .....   | 273,326   |
| Cement .....               | 820,406   |
| Coal, 1,025,931 tons ..... | 8,129,655 |

Of this amount 320,110 tons were exported to the United States.

(Continued on Page Five)

**The Natural Wealth of Canada**

**Forests**

IN the past three years Canada exported forest products to the amount of \$660,000,000, and there are still left great forests of Douglas fir, pine and spruce pulp wood—enough, if carefully preserved, to supply a great trade throughout an indefinite future. For more than a century the Bank of Montreal has been co-operating in the development of Canada's trade in forest products.

## News Gathered at Ganges Harbor

(Review Correspondent)

GANGES, Aug. 7.—Dr. E. M. Sutherland and Mr. Wm. Sutherland are back at Ganges after a short holiday spent in Victoria.

Mr. Ruckle, of Beaver Point, was at Ganges on Saturday.

Mr. W. E. Scott and Mr. D. S. Harris, while driving their cars along the road, had an accident while the cars were passing. No one was hurt, but Mr. Scott's car sustained a broken wheel.

Mr. and Mrs. Ernest Crofton, who have rented their place at the Booth canal to a Mr. and Mrs. Sutherland from England, left today for a holiday in Victoria.

Miss Gussie Wilkes is preparing to leave shortly for India.

Mrs. Broadbent, who has been a guest at Harbor House, left today for Vancouver.

One of the Cartwright boys saw the bear the other day. He is quite sure about it this time. Each decided they had business elsewhere, and lost no time in attending to it.

Mrs. M. S. Day left today to join her husband at Cedar Creek. Mr. Day and Mr. E. Springford have been at Cedar Creek for some time.

Raymond F. Castle spent a day visiting his parents, Mr. and Mrs. C. Castle, "Woodhill."

Mrs. C. M. Castle has returned from Esquimalt to "Woodhill." The many friends of Mr. Alfred G. Crofton, of Harbor House, will be glad to learn that Mr. Crofton, who has been at the Lady Minto hospital with a serious attack of pneumonia, is somewhat better, and all will wish him a speedy recovery. Mr. E. F. Gibson has purchased a car.

Mr. Theo. Mallinson, of Oak Bay, paid a short visit to Ganges this week.

Mr. and Mrs. R. W. Freeman are spending a few days visiting friends at Ganges.

Miss Lennox, of Victoria, is visit-

ing Mr. and Mrs. C. Gardner, "Uptrope Farm," Cranberry district.

Mr. N. Walker, of Victoria, is spending a few days at Ganges.

Miss Phyllis Garner has accepted the position of teacher for the North Salt Spring school, and Miss Jessie Mouat will teach at the North Vesuvius school at Central.

Mrs. J. Harris and Miss Margaret Mason, of Burnaby, paid a short visit to Vesuvius last week.

Mr. P. Hieneky is building a new barn, which will soon be completed, to replace the one that was burned down a short while ago.

Work is going on well at the new

bridge near Mr. G. Watters' place, on the Beddis road.

The new bridge on the road to Mr. Gibson's farm "Stanmore," has been finished.

Miss I. M. Burns is visiting friends at Ganges.

Special 15-Day A. B. C. Electric Washing Machine Demonstration

Do you know there are 11,800 rubs necessary to do an average washing by hand, and then there is the heavy strain of turning a wringer.

An A. B. C. will do all this for you in half the time, and at the cost of less than a nickel.

This time tested, dependable electric servant is always at your instant command, and will pay for itself over and over again. You will have cleaner, longer lasting clothes, and more time for other necessary home duties, as well as added hours of leisure and pleasure.

Order an A. B. C. sent to your home, test it thoroughly, and if you decide to buy you need only pay \$5.00 down, the balance in small weekly or monthly amounts as best suits your requirements. We invite you to call and see the special store demonstration.

## News From Galiano Island

(Review Correspondent.)  
GALIANO ISLAND, Aug. 5.—Money being needed for the Mission Room and for the school house on Galiano Island, Mrs. Bellhouse, of Active Pass Farm, kindly loaned her garden for the afternoon of July 29. There was a sale of both new and jumble things, which brought in a goodly sum, also races and fishpond for the children. The winners in the races were:  
Potato race—1, Tom York; 2, Ethel Rae.  
Bean race—1, Lewis Wild; 2, Fred York.  
Flat race—1, Allan Steward; 2, Rosalind Murchison.  
Bobbing apple—1, Tom York; 2, Lewis Wild.  
Ice cream and tea were well patronized, and a fine gramophone with records of Tetrassini, Caruso, as well as more mundane music, added much to the enjoyment of the afternoon. Many thanks for held are due to Mrs. Bellhouse, Mr. and Mrs. S. Page, Mr. and Mrs. Twiss, Mrs. and Miss Rose, and Mrs. and Miss Richardson, Mrs. Harford, Miss New, Miss Scoones and Mr. P. and E. Scoones. Over \$70 was realized for the objects named.  
Mrs. A. C. Baker and son, from Victoria, have been spending the week-end as guests of Mrs. W. Rose.  
Miss Nesta Steward is spending a week in Victoria as the guest of Miss Verinder.  
Mr. B. Flint, of Vancouver, spent a few days at Active Pass Ranch during the past week.  
Miss P. Bellhouse returned last Monday, after having spent two weeks in Victoria.  
Mr. and Mrs. C. Elvason were host and hostess at a very delightful party given at their home last Monday. Dancing was kept up until a late hour and bridge tables were provided for those who preferred cards. Those present were Mrs. Bellhouse, Mrs. Thomas and the Misses A. and K. Bellhouse, Scoones, Whedborne, Marshall, Falkner, Steward, Rose, P. Bellhouse, and Messrs. Burrill, Cayzer, Page, Hall and Bellhouse.  
Mrs. and Miss Hartly returned to their home in Victoria after a short holiday on the island.

## The "Uncles" and "Aunties"

A Liquor Store Comedy in Five Reels.  
An "Uncles" deputation Made the startling intimation That they'd make an application For a Government Liquor store. Right away the "Aunties" figured They would see the "Uncles" jiggered, As a "Store" would ruin the morals O our town for evermore.  
So of course they got quite busy, Ran around till they were dizzy, Held a hurried conclave, And went forth to buck the move. Fortified in silken armour, and Led by a well-known farmer— A man who never breaks his word, As anyone can prove.  
Thus arrayed they went to Manson, In the "lobby" they were dancin' And whispering what they would say The "Uncles" to defeat. But "Uncle" Critchley, who is able, Cleared the prohibition table, And when the "Aunties" entered There was nothing left to eat—nor drink, either.  
Of course they came out smiling— Strike me pink! they were beguiling, In their dainty frocks and bonnets They would surely win the day. But just a few weeks later When they read the Sidney paper— What they said I'll tell you later, 'Cause the "Uncles" had their way.  
Now, I'm a "moral" drinker— Worse than that, I'm quite a thinker, And I think "old" Manson did a thing He should have done before. Undoubtedly, he's clever, But his name will live forever As the man who gave to Sidney What she needs—a liquor store.  
—BOB SLOAN.  
Sidney, B. C., Aug. 7, 1922.

## Rude Rural Rhymes

THE WATER'S FINE  
This bard though bald, is fairly slim; his years are not yet hurting him, but youth recedes from day to day and boyhood scenes seem far away. Already dimmer through the haze shine memories of the good old days, and other kids both plump and slim possess the creek he used to swim. By their free masonry the boys e'en at their books, foretaste its joys. Two fingers raised (or is it three?) mean "After school come swim with me." In frantic haste their shirts they shuck, their britches from their legs they pluck, yet pause awhile before they duck; for one and all, the little scamps, before they brave the chilly damps, perform the rite that wards off cramps. O bare brown limbs sun-health imbuing! O boyhood joys beyond describing! Come, comrades of the good old times, and all old boys who read these rhymes; shuck off the cares that vex the soul, let middle age from off you roll, and join me at the swimming hole. Why should we pause because we're bigger. "Last one in's a red-head nigger." Forget your years e'en though you've got 'em; "Bet you I can bring up bottom." "Gosh, old Fatty, you look queer." "So deep, Skinny, lookahere."  
—BOB ADAMS.

### CROWN ROAST.

The crown roast of lamb is a dainty and tasty dish if stuffed with peas, carrots and rice.

### PREVENTS SORE FINGERS.

If you expect to do a great deal of sewing or crocheting, fortify yourself by placing court-plaster on the guiding finger, where the constant prick of the needle comes.

### ON WITH THE DANCE.

## News Gathered at Deep Cove

(Review Correspondent.)  
DEEP COVE, Aug. 9.—The regatta and sole of work given by the Ladies' Guild last Saturday afternoon was a most successful event, a large number attending. During the afternoon delicious refreshments were served by Mrs. Salmon, Mrs. Hiron, Mrs. F. Layard, Mrs. Gwynne, Mrs. Henry Downey and Mrs. Frame. Those in charge of the various stalls were:  
Home cooking—Mrs. Horth, Mrs. J. Copithorne and Mrs. Bowman.  
Work—Mrs. Peck, Mrs. C. Layard and Mrs. Allan Downey.  
Candy—Miss Ruth Holt and Miss Violet Simpson.  
Ice cream and soft drinks—Miss Wilkinson.  
The winners in the various events were:  
Women's swimming race—1, Miss Copeman; 2, Miss Halbutt.  
Boys' swimming race, under 14—1, Leonard Bradbury; 2, Jack North.  
Girls' swimming race, under 17—1, Dorothy Smith; 2, Audrey Jost.  
Evinrude race—1, Mr. Slade; 2, Mr. Gilmour.  
Canoe race—1, Roberts and North; 2, Wilkinson and Adams.  
Diving contest—1, Arthur North; 2, Mr. Le Lovier.  
Boy Scout race—1, N. Robinson.  
Men's rowing race—1, Charles Bradbury; 2, R. Simpson.  
Ladies' rowing race—1, Mrs. Copeman; 2, Mrs. H. C. Layard.  
Girls' rowing race—1, Audrey Jost; 2, Dorothy Smith.  
Boys' rowing race—1, Jack North; 2, Rus. Davis.

The enjoyable day was brought to a close by tripping the light fantastic in the moonlight. The music was supplied by Mrs. W. Patchell and Mrs. Howard Robinson.  
Prizes for the various events were distributed by Mrs. Pownall, and the Ladies' Guild was warmly thanked by Rev. T. M. Hughes on behalf of those present, for a most enjoyable outing.  
The members of the Guild are very grateful for the splendid support they received on this occasion, and wish to thank all those who in any way assisted in making this year's regatta one of the most successful held under their auspices.  
Enjoy Picnic.  
The New Method Laundry employees and their friends held their third annual picnic at Deep Cove during the week, and all had a real happy time. There was a plentiful supply of ice cream, which was much appreciated. At the conclusion of the day a hearty vote of thanks was extended to Mr. D. L. McLean for the enjoyable outing. The list of sports and winners follows:  
Wheelbarrow race, mixed—1, Nellie Hook and G. Dyson; 2, Nellie Lightfoot and W. J. Sweetnam.  
Peanut race, ladies—1, Nora Hudson; 2, Ethel Newburn.  
Thread and needle race, mixed—1, Ethel Newburn and A. Findlay; 2, Adeline Marrocci and V. Omer.  
Cracker competition, ladies—1, Lily Vout; 2, Nellie Hook.  
Three-legged race, mixed—1, Edna Roberts and A. Roberts; 2, Lizzy Crook and E. Exton.  
Kiddies' handicap—1, Walter Marmo; 2, Arthur Roberts.  
Sack race, ladies—1, Miss Letham; 2, Edna Roberts.  
Sack race, men—1, A. Roberts;

2, W. J. Sweetnam.  
Nail-driving, ladies—1, Adeline Marrocci; 2, Jean Thomson.  
Boot race, men—1, W. J. Sweetnam; 2, A. Roberts.  
50 yds. special, ladies—1, Edna Roberts; 2, Nellie Hook.  
Washerwoman's race, men—1, W. J. Sweetnam; 2, G. Dyson.  
50 yds. special, boys—1, Percy Wilcox.  
Other Notes.  
Miss Exley, of Victoria, paid a visit to Mr. William Towner's "Hop Farm" on Sunday.  
Mrs. Robinson, of "Manor Farm" Colwood, spent the week-end as the guest of Mrs. Mears.  
Mr. and Mrs. Geo. Daly and little daughter, Jean, have left for their home in Seattle.  
The many friends of Master Gerald Davis will be pleased to learn that he is home again after having undergone a minor operation.

### WEATHER FOR AUGUST

We are indebted to Mr. N. Fratic for the following valuable information, which will appear each week:

### CONVENTION A SUCCESS

(Continued from Page Three)

#### Agriculture.

The yield, acreage under cultivation, and value of agricultural products of Vancouver Island has not been ascertained. The segregation of these figures from British Columbia's total is proceeding at the present time.

#### Schools.

During the year five new schools were established, located at Menzies Bay, near Seymour Narrows; Beaver Cove, near Alert Bay; Oyster Bay, near Campbell River; Upper Sayward, north of Seymour Narrows; and East Sooke.

Contracts were let by the government for the following alterations to the established schools:

Langford, one room addition; Cumberland, sanitary system; Union Bay, one room addition.

The only large consolidated school in operation on Vancouver Island is located in the city of Duncan. The school has in attendance the pupils residing in that city and also a large number of those residing in the rural municipality of North Cowichan.

The cost of each pupil on enrolment to the government in the year 1917-18 was \$22.64, while in 1920-21 it was \$29.01, and the cost of each pupil in actual daily attendance in 1917-18 was \$27.93, while in 1920-21 it was \$36.38, showing that during a period of four years the cost per pupil for education purposes has increased considerably.

#### Exports and Imports.

Statistics show that during 1921 the customs officials of the Dominion government collected in revenue at Nanaimo \$242,812.70, and \$1,202,808.17 at Victoria, making a total revenue of \$1,245,620.87 collected on Vancouver Island.

The imports amounted to \$10,052,434, while the exports amounted to \$15,381,645.

#### Timber.

Vancouver Island is included in the Vancouver Forestry district, and returns cover the whole district, making it impossible to quote the island's quota of this resource. During 1921, 284,056,003 feet were scaled on Vancouver Island. This, however, represents a small proportion of cut, a larger proportion having been towed to Vancouver and scaled there.

I wish particularly to call your attention to the necessity in very strict measures being taken to prevent forest fires. During the present year over a million dollars has already been lost in the province through forest fires, and I am informed over 1,500 forest fires have occurred up to date, 586 of which were in the Vancouver district, which includes our island.

The Provincial government last year gave considerable publicity to the necessity of preventing fires in the woods. In addition to carrying advertising matter in various papers, calendars were issued bearing publicity matter relative to slash burning, 22,000 posters bearing excerpts from the fire law, and in addition to these were issued and advertised 30,000 envelopes bearing pictorial warnings to fishermen were distributed to the various sootling goods houses, when used as wrappers for the fishing tackle. Last year 45 prosecutions were issued for burning without a permit, 14 for leaving camp fires burning, 5 for refusing to fight fire, and 17 for miscellaneous causes.

During last year 1,330 fires occurred. In spite of the publicity work carried on fires caused by campers still head the list, which caused 308 fires, or 23 per cent, while the operation of railways is attributable to 283, or 21 per cent. Industrial operations and lightning were the cause of 119 and 164 respectively. The percentage being 9 and 12 per cent respectively.

It is to be regretted that such a large percentage of fires are caused by persons carelessly leaving camp fires or dropping lighted cigarette stubs, and legislative as well as educational work should be carried on.

Last year timber to the amount of 68,000,000 feet was killed by fire. The government is endeavoring as far as possible to protect standing timber, and is now maintaining three land wireless telephone stations located at Vancouver, Myrtle Point and Thurston Bay, where last season 2,000 messages were received and relayed between May and September.

The forest protection equipment now in possession of the government consists of 41 launches, 53 cars, 75 pumps, 88,800 feet of hose, with the shovels and general equipment for 2,642 men, representing a capital expenditure of \$147,000.

Last year 1,200 miles of trail were cleared and constructed during the fire season. These figures cover the province and are given merely to call your attention to what has already been done.

#### Railway Development.

During the past year the B. & N. railway has graded the Great Central lake branch from Port Alberni to Great Central Lake. The rails are laid to Stamp River, where a steel span is now in course of erection.

Completion of the rail to Stamp River is now furnishing facilities for carload shipments from two small mills in operation in that section.

Several large timber structures which required removal on the B. & N. had been filled and replaced with steel spans, making a permanent way. During the past year light steel has been replaced with 12 miles of standard 5-lb. rails.

Daily passenger train service was inaugurated between Victoria and Courtenay during May, with improved freight service, which it is hoped will help increase trade between different centres of Vancouver Island.

No construction work has been done on the Canadian National lines on the Island during the past year.

#### Tourist Development.

I have above mentioned the increased facilities for ferrying and automobiling to the Island, and am confident that the development of this trade will be rapid during the next year or two.

The city of Victoria alone this year is expending \$25,000 for publicity purposes, and the Nanaimo Rotary Club with the co-operation of the Board of Trade and the City Council at that place have had printed some literature which is assisting the development of tourist trade.

The many resorts and hotels on the Island should be encouraged in every way, and these establishments are becoming well known throughout the country.

Many of these tourists who come to the Island on pleasure will no doubt return to their homes with a new knowledge of the possibilities offered here, as well as information regarding our wonderful natural resources.

Last year mention was made as to the lack of use of the Public Libraries in the communities on the Island, and I would again call your attention to the need of libraries to keep the Island abreast with the thought of the world. Libraries are not merely a form of recreation, but an essential part of the educational system of any country. Efforts at present on the Island, although most creditable in some cases, are capable of great expansion, and experience shows that the cost to a city of maintenance of library activities in Eastern Canada and the United States is given as 50c per capita per year, minimum.

Adequate library service requires between 75c and \$1 per capita per year. At the minimum rate and based on English population of 1922, the towns on the Island would require the following amounts:

|                                |         |
|--------------------------------|---------|
| Nanaimo .....                  | \$4,500 |
| Cumberland and Ladysmith ..... | 1,500   |
| Sidney .....                   | 600     |
| Duncan .....                   | 600     |
| Port Alberni .....             | 575     |
| Courtenay .....                | 450     |

Actual conditions are as follows:

Victoria costs \$3.50 per capita per year, and 46 per cent of the total population of the city are registered borrowers of the library.

357,882 books were circulated last year, while of these 52,379 were taken out by children of the public school age—thus building standards for future citizens.

Oak Bay, Esquimalt and Saanich have arranged an agreement with Victoria whereby their residents receive library service.

Nanaimo—the library activities are still financed by the I. O. D. E., in the main, assisted by voluntary contribution, and a small grant from the municipality.

The number of books circulated in 1921 was 16,305, or about 40 per cent more than last year.

Good work is being done and special credit is due to voluntary workers.

It really would seem that the time is now opportune for municipal effort. Prince Rupert passed a bylaw this spring and is to open a library with a trained librarian in charge. A vote of \$2,500 has been passed.

Cumberland—Libraries association organized last year. Between April and December 4,705 books were circulated. There are great possibilities of expansion in that city.

Sidney—Owing to the threatened increase in the rate there is some likelihood of this library being closed, but it is hoped this difficulty will be overcome. The circulation last year was 2,454.

Courtenay—There has recently been formed a library organization, but so far only a few books have been borrowed from the Provincial library.

Cassidy—A library association was formed there last year, and books are being taken on the co-operative plan.

Duncan—The library is conducted there by the Women's Institute, 2,660 books were circulated last year, of which 51 were juvenile.

Port Alberni—Has no public library, although during the last few years a group of 100 books has been maintained for the use of High School students.

It is to be hoped that in the near future efforts will be made to encourage the operation of public libraries throughout the Island.

#### Various Matters.

I feel that the different interests on the Island should become more closely allied and that some definite action should be taken with regard to all sections co-operating with a view of furthering the industrial development and a co-operative effort on the part of the different communities would, no doubt, open up a new industrial era for the Island.

I appreciate the assistance which has been given to me by the different departments of the Provincial government in securing information, and to the officials of the public libraries and the railroad companies as well.

At the convention this year I hope that when resolutions are being acted upon that due consideration will be given to the existing financial conditions, especially when any request is made which will likely entail expenditure of money by the Provincial government.

In concluding, I wish to express particularly the thanks of this organization to the secretary, Mr. W. H. Dawes, for the many painstaking efforts which he has made in our interest, and also again I would like to thank the members of the different Boards on the Island for their help during the past year.

Don't be a paper-borrower. Become a subscriber of your local paper. It costs you only \$1 for 6 months, or \$2 per year.

### FULFORD HARBOR NEWS

(Continued from Page Two)

Fulford's defeat at the hands of Sidney was even more decisive than either of their triumphs.

A number of unfortunate accidents marred the pleasure of the game. Brenton and Crossley are still limping, while Bridgewood injured one leg so badly that he was removed to Rest Haven.

On Saturday evening the baseball team gave a dance in the hall for those of the Sidney team who remained over. The music was supplied by the South Salt Spring orchestra, while the refreshments were in the hands of Messrs. P. Horel and

R. Hepburn. Everything went off splendidly and all enjoyed themselves thoroughly.

Those who registered at the White House this week were Miss Bothwell, Miss M. Boston and Miss P. Boston, all of Vancouver, and M. J. McDonald, Dr. French, Mr. C. Holden, Mr. and Mrs. T. M. Miller and Mr. W. Swail, all of Victoria.

On Sunday, Mr. and Mrs. R. Morris, Mr. and Mrs. Voss and family, and others, made up a party which came over from Sidney to visit Mr. and Mrs. A. J. Eaton, of the White House.

Master Raymond Morris was unfortunate enough to receive a gash in his leg while out cycling, which necessitated a number of stitches.

De Grandpore and wife, Seattle; Mr. Robliard, Keating.

News From  
Mayne Island

(Review Correspondent.)

MAYNE ISLAND, Aug. 7.—Mrs. Gurney and Mrs. Roberts left for Parksville on the Island Princess on Monday last.

Miss Kitto left for Victoria on Wednesday after some pleasant days spent at Point Comfort.

Miss Long, of Victoria, is visiting on the Island.

Miss A. Payne is visiting her grandparents, Capt. and Mrs. Maude. The lumber for Mr. Coates' house arrived on the "Nora" last week.

A meeting of the W. A. was held at the Mayne Island hall on Monday to discuss plans for an entertainment to raise funds for the lighting of St. Mary's church.

Miss V. B. Maude arrived home last Friday from Vancouver, where she had been attending the wedding of Mrs. Lionel Huntington.

Mrs. Baker and Mrs. Rose were guests on Mayne Island last Friday. Mrs. Guardom was up visiting her sister, Miss Rowbotham.

Mr. French is camping in Mr. Naylor's orchard. Mr. French has a very fine launch.

Master Graeme Macfadyen is staying with Mr. and Mrs. Locke Paddon.

Misses Joan and Ruth Locke Paddon arrived back on Friday after a very enjoyable visit with Miss Burnett in Vancouver.

Rev. C. Price left on Monday for Pender Island to take up his duties there.

Mr. Gerald Payne's yacht passed through the Pass under sail last Friday on the way to Saturna.

A very pleasant surprise party was held at Mrs. Garrick's last Thursday in honor of Miss Garrick's birthday.

On Thursday, Aug. 17, an entertainment will be held in the Mayne Island hall, followed by a dance, to raise funds for the lighting of St. Mary's church. It is hoped that visitors from the adjacent islands will attend this delightful affair.

Mrs. George Maude returned from Seattle, where she had been visiting friends.

## ACCIDENT AT FULFORD.

When Mr. Bridgwood met with an accident at Fulford last Saturday there was quite a little excitement and a motor was sent for a doctor.

The driver of the car, in backing off the field, collided with the baby carriage containing Mrs. Levi Wilson's daughter, overturning the carriage but the little one, who was asleep, escaped unhurt. The carriage, however, was badly damaged, and is being repaired at the Sidney Service Station.

## The HOVER

It BEATS... as it Sweeps as it Cleans
